

Welcome to Estia Health Daw Park, our aged care home located just south of Adelaide city centre

Estia Health Daw Park is set in a quiet leafy residential grove with onsite parking, close to public transport and moments from the local shopping centre.

The experienced team of clinicians, care and hospitality teams look after all aspects of a resident's care including **clinical**, social and overall wellbeing and offer **dementia** and **palliative care** services, which can be accessed on a **short-term respite** or **longer stay**. The home has a Memory Support Unit to provide a safe and supportive environment for residents requiring additional support. Daily **activities** are tailored to residents' interests and hobbies, bus outings are enjoyed and our onsite chef and his team cook meals fresh daily, based on residents' preferences.

Our single level residence offers light filled living areas, smaller cozy spaces and a private dining room for family and friends to enjoy. Our cafe with self service coffee machine, hairdressing salon, computer room with technology equipment, a library room with book collection and wellness centre are all enjoyed by our residents. Outside, spacious landscaped garden and courtyard areas offer alfresco dining with shade cover, a designated barbeque area, raised garden beds, planters or pods and tranquil garden walking paths.
